रेल और वाणिज्य एवं उद्योग मंत्री;
भारत सरकार
MINISTER OF
RAILWAYS AND COMMERCE & INDUSTRY
GOVERNMENT OF INDIA

Message

Under the visionary leadership of Hon'ble Prime Minister Shri Narendra Modi ji, the government has been working tirelessly to provide a voice to the youth, giving them the required push for better and higher education, skill development and entrepreneurial & leadership opportunities. Programmes like *Skill India*, *Startup India*, *Beti Bachao Beti Padhao*, *Atal Tinkering Labs* amongst many others are preparing our youth to become the leaders of a New India.

In my journey in public life, I have realised the need for having young talent doing research, community work, and politics. Producing leadership in these domains is laudable. In this context, the Vision India Foundation (VIF) is transforming into a School of Public Leadership- *Rashtram*, which aims to be a world-class institute to create future public leaders of India.

I am also delighted to note that *Rashtram* will be built keeping the Indian ethos in mind. I am confident that VIF will continuously strive to uphold the rich tradition of hard work, commitment and service to the nation. I also convey my best wishes to *Rashtram* and VIF team for their future endeavours.
